COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

The Applicants appreciate the Examiner's indication that claims 1-9, 11-15, 17 and 19-23 are allowed.

With regards to the Examiner's statement of reasons of allowance, it is respectfully submitted that claim 1 requires merely "analyzing video information focused on a monitored area to identify at least one predefined user activity" and not "analyze at least one of audio and video information focused on the monitored area" as suggested in the statement contained in the April 11, 2005 Notice of Allowance.

Respectfully submitted,
